# Concepts & Strategy Programs

Nothing is so good that it doesn't need to be improved!

The 8 COVEs have developed various concepts and political strategy and action programs for urgently needed political action and for the future work of the Centres of Vocational Excellence and have consulted with politicians and other stakeholders:

- Analysis of EU funding opportunities
- Strategies for the development of COVEs
- **Strategy and action program for vocational training**
- Political concept for the training and integration of young people with learning difficulties
- **Regulations for new continuing education occupational profiles**
- Guide to recognised VET qualifications
- Integration program for unemployed
- **Pilot of implementation dual & trial Study Programs**
- Concept for innovation promotion

Let us now discuss a few selected topics

# Discussion

- what questions, suggestions and visions do you have for the further development of vocational training?
- What experiences have you had and what do you want most from politics?
- What questions have You and what would you like to see most from policy-makers in terms of shaping vocational education and training and promoting SMEs?
- What do the participants from politics and administration present here have to say about the political demands? What do they want to do as a priority?
